PICTURE: _____

Better communication: it's what you asked for in our annual patient satisfaction survey!

This is how our office will communicate with you, its secure and much FASTER than waiting for a call back.

Using the Portal, you can....

Get your lab and imaging results

Request Refills • See your appointments • Change an Appointment

Make an Appointment • Ask a Question • Get your Med List

Checking out....

No more waiting... you will leave right after you have been seen and we will send all your Lab Orders, Next appointment, Medications, Visit Summary, and Imaging orders right to your portal. Even if you need an insurance Authorization, we will take care of that and send it to your portal.

Communication...

- Access to your history
- Ability to send your information to your specialists
- Communicate with our office without waiting for a call back
- Traveling? No problem you can have access from anywhere
- Need FMLA or NO-Fault paperwork, we will send it to your portal
- after hours... no problem, send your message and will respond on our next business day

******DO NOT USE PORTAL IF YOU HAVE AN EMERGENCY******
